

When Jesus Christ was on the earth

So many years ago

**He taught our
Heav'nly Father's plan**

**For children here
below**

Through parables with simple words

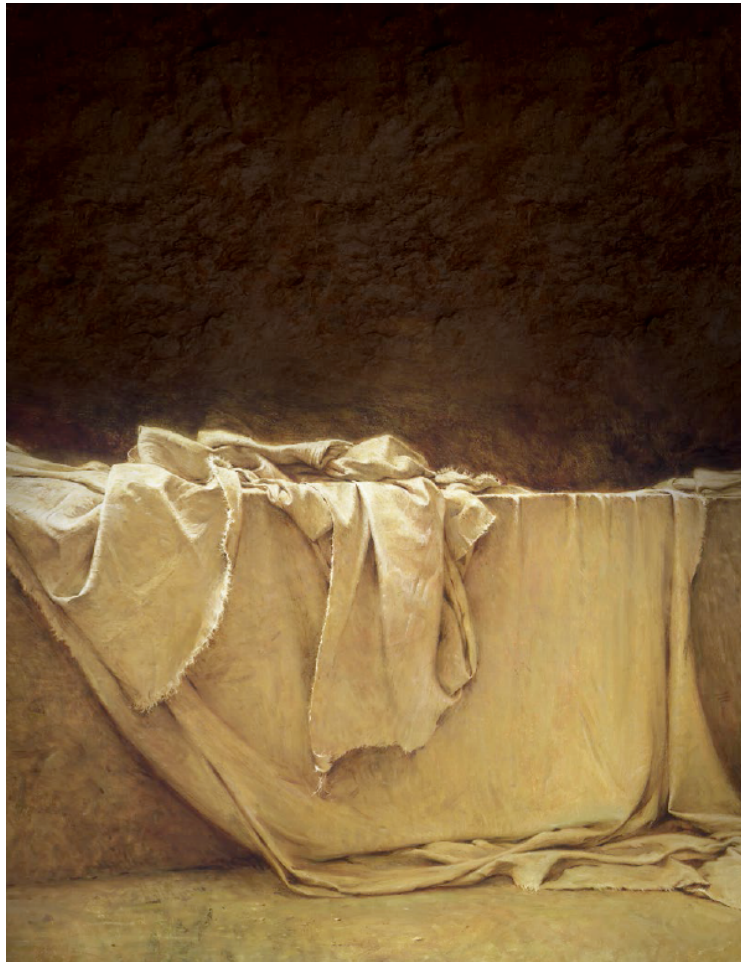

**He said, “Come,
follow me”**

**That we might now
have joy on earth**

And live eternally

**That Easter morn
disciples ran**

**To see where Jesus
lay**

**And there they saw
a miracle**

**The stone was
rolled away**

**He came for us
He died for us**

**All to fulfill our
Father's plan**

On Calvary, Gethsemane

**He sacrificed that
we might live again**
