

**A covenant is an
agreement**

**A promise I make
with the Lord**

**He lovingly offers to
bless me**

**If I will be true to
His word**

**I promise to keep
His commandments**

**And if in His light I
abide**

He promises infinite blessings

A fulness of joy by His side

I will remember my covenants

They show me the path
to my Father above

**I will be true to my
covenants**

**And stay on the path,
my covenant path**

Secure in my Savior's love

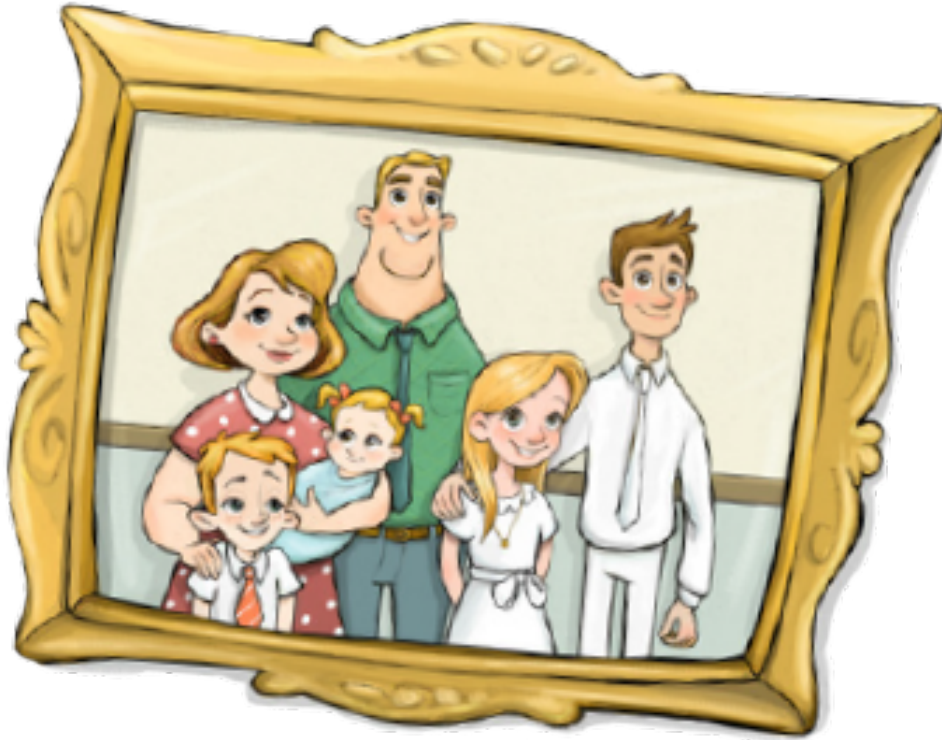

**I'll stay on the path,
my covenant path**

**Secure in my
Savior's love**

**To honor my
baptismal covenant**

**I'll take Jesus's
name upon me**

Remember Him keep His commandments

**His faithful disciple
I'll be**

**I'll gladly renew
precious covenants**

**Each Sabbath
through sacrament
prayer**

**And someday I'll
enter the temple**

**And make sacred
covenants there**
