# The Lord and Savior died for me

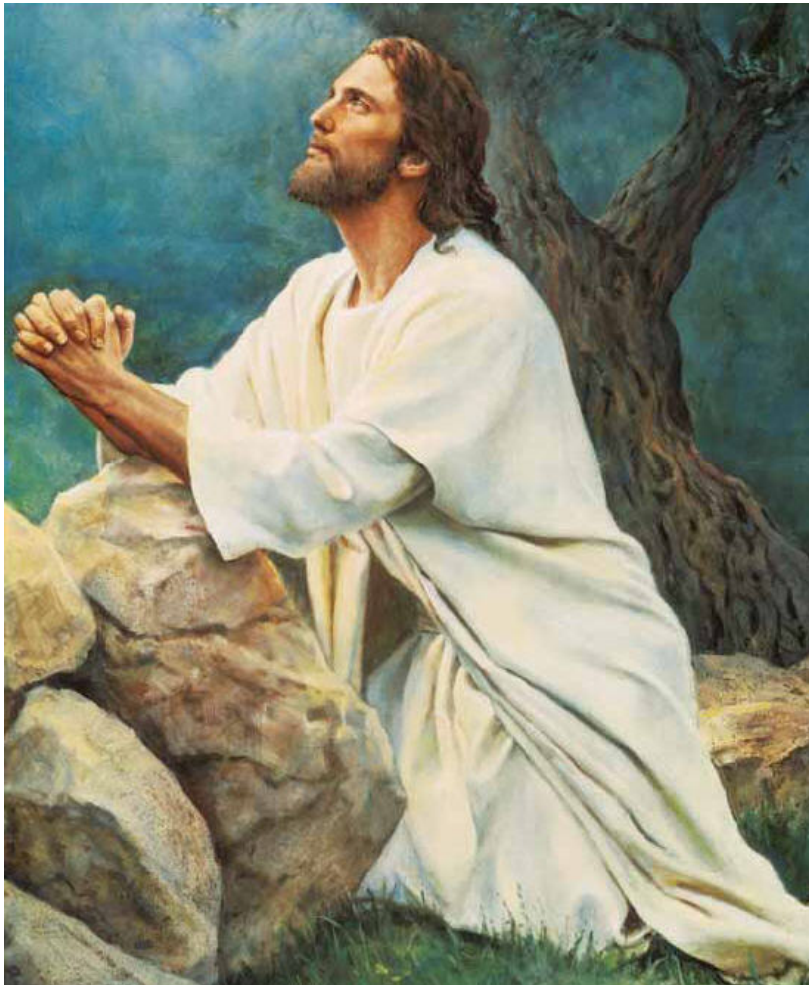

# On the cross of Calvary

# And suffered for me willingly

# In the Garden of Gethsemane

# Jesus paid for ev'ry wrong

# That's why He was sent
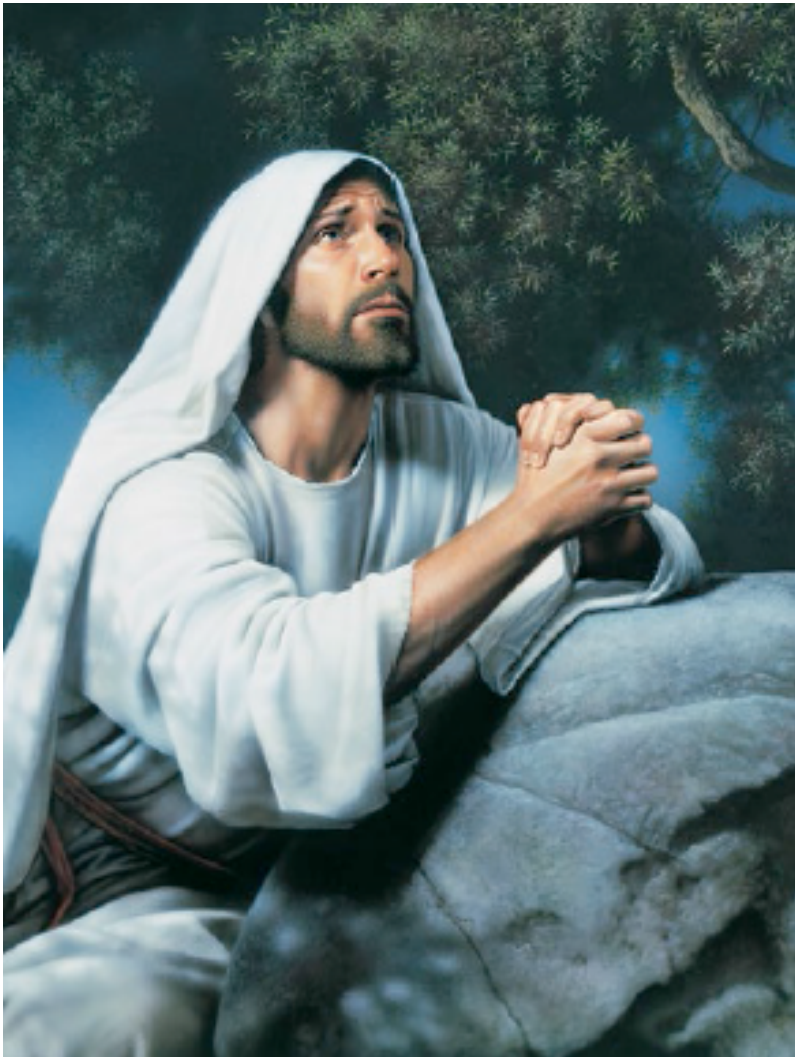

# He suffered pain the whole night long

# So we could all repent

# My Savior sacrificed

# I know He paid the price

# And I know He did it willingly for me

# In the lonely night of Gethsemane

# I think of His atonement

# I think about His pain

# Because my Savior died for me

# I know I'll live again
