

The Book of Mormon teaches me

That Jesus is the Christ

**He lived and died
for you and me**

Christ with Children, by Del Parson, © 1991

**With love He
sacrificed**

**It says I must have
faith, repent,**

**And live the Savior's
word**

**It is another
testament**

**Of Jesus Christ our
Lord**

**The Book of
Mormon helps me
see**

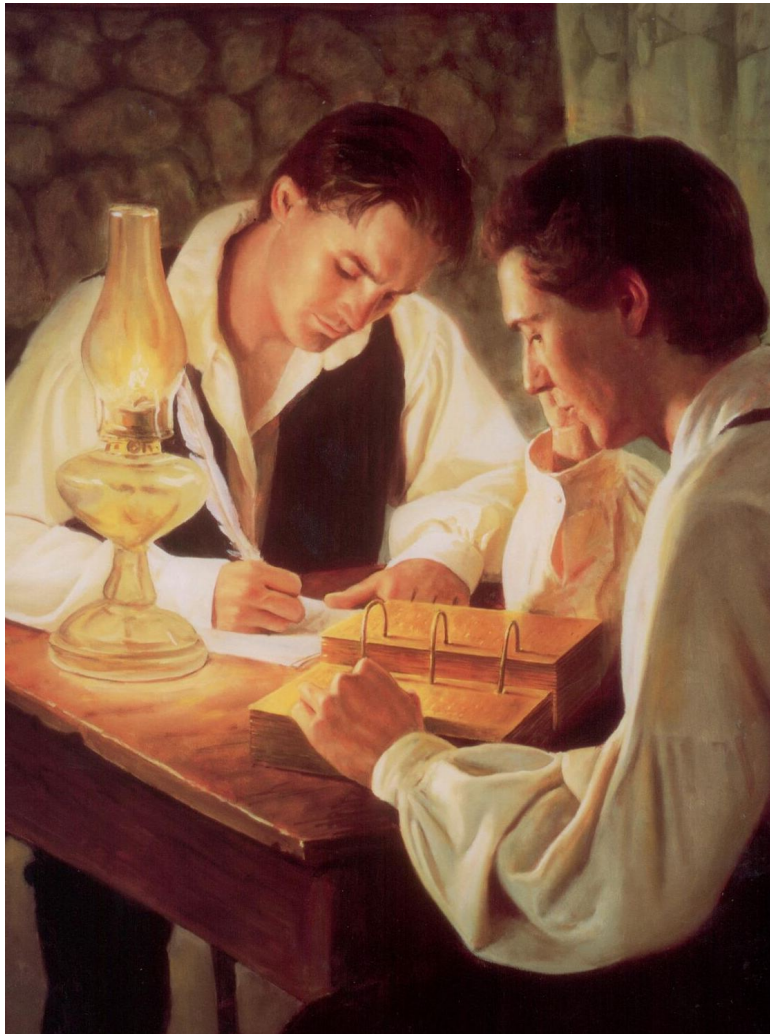

**That truth has been
restored**

**That Joseph Smith
was called to be**

**A prophet of the
Lord**

The book reveals God's covenant

The fulness of His word

**It is another
testament**

**Of Jesus Christ our
Lord**

**I'll read the Book of
Mormon, then**

**I'll pray and ponder
too**

**I'll put my faith in
Jesus when**

I ask if it is true

**And when I pray
with pure intent**

**I'll hear the Spirit's
word**

**It is another
testament**

**Of Jesus Christ our
Lord**
